1€ freebet from betexchange mybet.com. Always the best odds: At mybet you save on the bookmaker's commission because you bet against other bettors. That makes bad odds impossible. The competition on the market results in odds, that are far better than at a bookmaker's.

You can choose the odds: If the odds you want are not available, you can enter the odds you want. Just place an order on the back or lay side of the market that seems realistic to you.
